

## *Merry Christmas and Happy New Year!*

I wish all students, parents, teachers, and board members a wonderful holiday break, and I hope 2012 is another great year here at North Valley Chinese School.

### **• Stainless Water Bottle Fundraising Sale**

We have sold about 45 water bottles so far. Thanks to Vivian Chu, our board member, for organizing this sale. And thanks all the parents who have supported this Fundraising Sale. We had designer's reusable bags sale on last year and stainless steel water bottles for this year. Both items are good for our environment. I'm glad we are doing our share of protecting earth with doing simple things. We still have a few of bottles left. Please let us know if you are interested.

### **• Parents Campus Patrol**

Starting from this school year, all parents are expected to share campus patrol duties to patrol the campus 15 fifteen minutes before and after school and during recess time. However, we still have seen a few of parents who didn't come to school on their assigned date. Students safety is always our priority, So please make sure to mark your campus patrol rotation date on your calendar. There is a \$20 penalty for those who fail to show up. Thank you for your cooperation.
