

## *Happy Chinese New Year, wishing every one has a happy and prosperous the year of rabbit.*

On Feb 5, we had a wonderful time celebrating Chinese New Year at school. We enjoyed watching the dragon dance performed by our middle class students and lion dance performed by K class students. The lovely P class students paraded to each classroom and sang New Year songs. All students also received a red envelope with lucky money inside. Special thanks to our school CEO, Jennifer Chen, who has given the red envelopes to our students for many years. Also thanks to all teachers and parents for helpings these events.

The 2011 School Celebration is coming our way. We will have many exciting programs preformed by students, and food and games. Please bring your family and enjoy two hours of fun with us. The event will be held at Feb 27 at 10:00AM.
